

Maidstone & Malling Neighbourhood Watch

Security Items

Defender Slimline £2.50

This slimline alarm is discreet and incorporates an independent torch function, a 128+ dBs alarm, batteries supplied and pre-fitted.

Defender All Purpose Alarm £2.50

This alarm is multi purpose and therefore can be used in many situations.

It incorporates a torch and panic function, a bag attachment, a belt clip, 130 dBs, batteries supplied and pre-fitted. They are perfect for securing handbags, laptops and backpacks.

Remote Car Alarm £22.00

The Remote Car Alarm is a dual purpose Vehicle Protection Device which can prevent Theft of and Theft from Motor Vehicles. The Alarm has two units, a PIR Alarm unit which is attached to the Cars Rear View Mirror and one Remote Device/Alarm. The Alarm has two methods of operation.

- Keep Remote Device/Alarm in the house or office and should anyone enter your vehicle, the Remote device will Chime or Alarm to alert you to a break in.
- Hide the Remote Device/Alarm inside the Car, then if a break in occurs the device will trigger the Alarm.

Motion Detection alarm with telephone Dialler **£24.00**

This Passive Infra Red Alarm is connected up to a phone socket and will dial out to three prefixed numbers, if it detects a movement within 20 feet away. It has a 125 dB alarm that will sound 20 seconds after the first telephone number has been dialled. Alternatively Alarm can be switch off for silent Alert.

Defender IIIT £4.50

This alarm can be used as our loudest personal alarm by using the keyring attachment or a shed alarm with its mounting bracket. It has a built in torch, particularly good to use when getting into your car at night. Comes with a door/window sensor for internal use.

Keypad Shed Alarm **£7.00**

This unit is ideal for protecting garden sheds and other vulnerable doors against forced entry attempts. The new sensitivity control feature allows a full range of activation triggers.

It has an entry/exit delay function, a keypad code, sensitivity control and has a 130+ dBs alarm.

Compatible to use with External siren.

External Siren **£6.00**

With a 10m tamper proof cable. It is an external 130+ dBs boost for your alarm. A good addition to the Keypad Shed Alarm, above.

If you buy both the Keypad Alarm and the External Siren together, the price is reduced to £12.00

If you wish to purchase any of these alarms please contact the Neighbourhood Watch Office on 01622 604395
