

Good evening,

I am Patricia Burden, Linton Neighbourhood Watch Co-ordinator.

We are fortunate that in Linton we have almost no crime. In the last few months there has only been one incident where some plants were stolen from a property on Linton Hill.

I receive reports from the Neighbourhood Watch Police Liason Officer which I forward on to members of the Linton NHW group. Although these reports usually relate to other local communities, it is interesting to see what is happening elsewhere.

Also there are often warnings of scams and similar offences which are interesting and help to make us aware of criminals wrong doings.

It is free to be a member of the NHW scheme, all I need is an email address. I would add that to my contact list and from then on, you will receive all the information that I do.

In addition to that, you can contact me to advise if you see or hear of anything that you think may be of interest to other local residents. I will send out an email with that information on it in the hope that it prevents crimes being committed.

If you would like to become a member of our group, please just see me at the end of the meeting.
